European Proceedings of Social and Behavioural Sciences (EpSBS) is an open access, peer-reviewed and refereed series. The main objective of the EpSBS is to promote interdisciplinary studies in social and behavioural sciences by providing a platform for international scholars to disseminate their work.

Topics include but are not limited to anthropology, archaeology, psychology, sociology, philosophy, interdisciplinary humanities, economics, political science and additional entries in related fields, including education, legal studies, environmental studies and media studies. The series also welcomes works highlighting the connection between human activities and social interactions.

The EpSBS publishes theoretical, experimental or application-based works with the objective of contributing to a greater understanding and development of social and behavioural sciences. EpSBS publishes either monographs for example, master thesis/doctoral dissertations or edited volumes based on the outcomes of conferences.

Once published, all proceedings are submitted for evaluation and possible coverage in **Web of Science Core Collection™ Conference Proceedings Citation Index - Social Sciences & Humanities (CPCI-SSH)**.

Preface

We are pleased to present the proceedings containing selected, peer-reviewed papers from the 7th International Conference on Education and Educational Psychology (ICEEPSY 2016).

The aim of the ICEEPSY 2016 was to provide a platform for academics, professionals and other stakeholders working in the field of Education and Educational Psychology to present their latest works to an international audience of their peers. ICEEPSY 2016 featured presentations by renowned and skilled researchers and international scholars working in the field of educational and educational psychology. This conference brought together students, teachers, researchers, practitioners, and psychologists who are keen in sharing their latest research in education, educational psychology, educational ecosystems, arts education and special education, with a special focus on.

A detailed conference programme covering presentations, keynote speeches and workshops of ICEEPSY 2016 is available at: <https://www.academics.institute/conference/ICEEPSY/2016>.

We would like to express our sincere gratitude to all the keynote speakers, participating presenters, International Scientific Committee and reviewers, and my organizing committee for helping to make the ICEEPSY 2016 a great success.
