**European Proceedings of Social and Behavioural Sciences (EpSBS)** is an open access, peer-reviewed and refereed series. The main objective of the EpSBS is to promote interdisciplinary studies in social and behavioural sciences by providing a platform for international scholars to disseminate their work.

Topics include but are not limited to anthropology, archaeology, psychology, sociology, philosophy, interdisciplinary humanities, economics, political science and additional entries in related fields, including education, legal studies, environmental studies and media studies. The series also welcomes works highlighting the connection between human activities and social interactions.

The EpSBS publishes theoretical, experimental or application-based works with the objective of contributing to a greater understanding and development of social and behavioural sciences. EpSBS publishes either monographs for example, master thesis/doctoral dissertations or edited volumes based on the outcomes of conferences.

Once published, all proceedings are submitted for evaluation and possible coverage in **Web of Science Core Collection™ Conference Proceedings Citation Index - Social Sciences & Humanities (CPCI-SSH)**.

# Preface

On behalf of the organizing committee, I am pleased to present the proceedings containing selected, peer-reviewed papers from the 7<sup>th</sup> Annual International Conference on Cognitive - Social, and Behavioural Sciences (icCSBs 2018) Russia which was held on 12-14 November 2018, in Institute for Strategy of Education Development of the Russian Academy of Education, Moscow, Russia.

The objective of conference was to provide a forum for the discussion of the latest research connected with the cognitive, social and behavioral sciences. The conference covered topics on Education and Pedagogy, Social Sciences, and Psychology.

Academics Institute Conference Management System was used as a Conference Management System. The number of full papers accepted and presented were 48. Each author was allotted 15 minutes to present their paper. The review process for the papers was stringent. The software program iThenticate was used for plagiarism detection. Each submission was subjected to a double-blind review process by two reviewers.

The number of submissions received was 141 and reviewed was 117 respectively while the number of submissions accepted for publication was 78 indicating an acceptance rate of 66%. A total of 15 reviewers were involved in the review process and 9 external reviewers included. The 7<sup>th</sup> Annual International Conference on Cognitive - Social, and Behavioural Sciences (icCSBs 2018), was hosted by Institute for Strategy of Education Development of the Russian Academy of Education in Moscow, Russia. Detailed program is available from the following link <https://instrao.ru/index.php/en/news-and-announcements/news/item/3028-the-7th-annual-international-conference-cognitive-social-and-behavioural-sciences-iccsbs-moscow-2018>.

The conference chair and organizing committee express their sincere appreciation to all the organizing institutions. Special thanks to keynote speakers and all the attendees, session chairs, members of the organizing committee, scientific committee, and peer review committee.
