European Proceedings of Educational Sciences (EpES) is dedicated offering a platform to encourage academics to publish original articles on the current developments in all fields related to the discipline of Educational Sciences. Papers which are theoretical, experimental or application-based with an aim to contribute to the understanding and development of Educational Sciences are welcome.

To be considered for review, papers must be written in internationally accepted standard English, utilize a valid, rigorous and scientifically accepted methodology within the discipline and abide by all the stated guidelines for paper submission as set out in EP.

Please be informed that EP only publishes conference proceedings and/or special interest volumes.

Once published, all proceedings are submitted to the for evaluation and possible coverage in **Web of Science Conference Proceedings Citation Index - Social Sciences & Humanities (CPCI-SSH)**.
