European Proceedings of Health (EpH) is an open access, peer-reviewed series. EpH is dedicated to offering a platform to encourage academics to publish current research and thinking in the discipline of Health and its related areas of investigation.

Manuscripts which are theoretical, experimental or application-based with an aim to contribute to the understanding and development of Health are welcome.

To be considered for review, manuscripts must be written in internationally accepted standard English, utilize a valid, rigorous and scientifically accepted methodology within the discipline and abide by all the stated guidelines for manuscript submission as set out in EpH.

Once published, all proceedings are submitted to the for evaluation and possible coverage in **Web of Science Conference Proceedings Citation Index - Social Sciences & Humanities (CPCI-SSH)**.
