European Proceedings of Social and Behavioural Sciences (EpSBS) is an open access, peer-reviewed and refereed series. The main objective of the EpSBS is to promote interdisciplinary studies in social and behavioural sciences by providing a platform for international scholars to disseminate their work.

Topics include but are not limited to anthropology, archaeology, psychology, sociology, philosophy, interdisciplinary humanities, economics, political science and additional entries in related fields, including education, legal studies, environmental studies and media studies. The series also welcomes works highlighting the connection between human activities and social interactions.

The EpSBS publishes theoretical, experimental or application-based works with the objective of contributing to a greater understanding and development of social and behavioural sciences. EpSBS publishes either monographs for example, master thesis/doctoral dissertations or edited volumes based on the outcomes of conferences.

Once published, all proceedings are submitted for evaluation and possible coverage in **Web of Science Core Collection™ Conference Proceedings Citation Index - Social Sciences & Humanities (CPCI-SSH)**.

Preface

On behalf of the organizing committee, I am pleased to present the proceedings containing selected, peer reviewed papers from the Proceedings of the International Scientific Conference "Global Challenges and Prospects of the Modern Economic Development" (GCPMED 2018), which was held in 06-08 December, 2018, in Samara, Russia.

The objective of the conference is to bring together scientists and practitioners for sharing knowledge, experience and discussing issues related to sustainable socio-economic development, cooperation between educational and business structures, processes of economic globalization and fragmentation. Importance of the conference is provided by the fact that the conference participants from various countries, regions, organizations present their views of the development perspectives of our society.

The conference GCPMED 2018 was organized by Samara State University of Economics and took place in Samara, Russia on 06 – 08 December, 2018. The conference united over 400 participants (researchers and practitioners) from Russia, Tajikistan, Serbia, Belarus, Georgia for the discussion of the ongoing changes and challenges for socio-economic development from different perspectives: political, economic, legal, cultural and educational. The conference thematic sections were: Drivers of World Economy Development and Transformation: Lessons Learned, Trends and New Solutions; Financial Technologies as Key Factor of Modern Business Success; New Management Models in the Dynamically Changing Society; Legal System in the Digitalization Era; Digital Transformation of Public Administration: World Experience; Russian practice; Corporate Social Responsibility as Key Competence of Business Development; Digital Economy and New Social Challenges: Opportunities, Restrictions and Growth Points; The Newest Approaches to Study the Life Quality Improvement: Inclusion – Problems and Solutions; Corporate Finance; Corporate Governance in Digital Modernization Conditions.

The conference work consisted of the plenary session with keynote speeches and the thematic section reports, presentations, round tables discussions. The number of submissions received, sent for review and submissions accepted were 246, 217 and 191 respectively. The acceptance rate was calculated as 77, 64 %. The review process for the papers was stringent. The software program used for peer review and plagiarism was antiplagiat.ru. Each submission was subjected to a double-blind review process by two reviewers. A total of 20 reviewers were involved in the review process. The ratio of use of external reviewers was 50/50. Lastly, the review process included 2 stages which were review of a Russian and an external expert, and the final decision was taken by the proceedings editors. The detailed program/agenda of the conference is also available at <http://si.sseu.ru/content/mezhdunarodnaya-nauchno-prakticheskaya-konferenciya-globalnye-vyzovy-i-perspektivy-razvitiya>

We would like to thank all contributors, speakers, participants, sponsors, etc. The Organizing Committee would like to express its gratitude to all contributors, speakers, participants, experts, reviewers for the successful collaboration.
